STATISTICS OF ONTARIO MUNICIPALITIES

We have endeavored in this Bulletin to present in a concise form for all municipalities, grouped into counties and districts, the population for 1912, and the assessed value, taxation, debenture debts and sinking funds for 1911.

The statistics are compiled, as usual, from schedules furnished by the Bureau to the Municipal Clerks and Treasurers of Ontario. Many of these officers have not yet returned the schedules. In most of these cases the figures of debenture debt and of sinking funds are taken from the reports of municipal auditors, while in a few cases we have had to repeat the figures of the preceding year in absence of any returns.

This Bulletin, however, is a preliminary statement, the object being an early presentation of the chief items of Municipal affairs. The statistics are subject to revision in Part III. of the Annual Report, where totals for the Province will be given.

Although the majority of the municipal officials send in their returns promptly and satisfactorily, we regret that too many of the others show neglect and carelessness in making returns to the Department. Up to the time of going to press, over 20 per cent. of the Clerks have not sent in the schedule furnished them, showing the population as handed in to them by the Assessors on April 30, 1912.

W. O. GALLOWAY, *Secretary.*
